

How to become an ACC user

Interested legal entities and natural persons have the opportunity to become ACC users by signing an application form by which the [General Terms and Conditions of Use of ACC Service](#) are accepted, and by enclosing the additional documentation as follows:

Physical person:

- Application form for ACC service
- Copy of a vehicle registration certificate
- ID card for inspection

Legal entity:

- Application form for ACC service - signed and sealed
- Copy of ID number of the company
- Copy of a vehicle registration certificate
- Presentation of proof of payment

In addition to the filled in application form and the technical specification of the vehicle, legal entities that purchase two or more ACC TAG devices should submit documentation for each vehicle (vehicle registration certificate)

Application forms and technical specifications can be downloaded at all toll booths every day 24 hours.
