Value excluding VAT: 850.000 EUR

II.1.6) Information about lots

This contract is divided into lots: no

II.2) Description

II.2.3) Place of performance

NUTS code: BA Bosnia And Herzegovina

Main site or place of performance:

Bosnia and Herzegovina. The main site will be Sarajevo and at the construction site Medakovo – Poprikuše. The Services will be provided to the Employer's PIU nominated for this Project and is expected to entail presence as well as some part time inputs.

II.2.4) Description of the procurement:

A Consultant will be selected in accordance with the EIB Guide to Procurement, September 2018: <https://www.eib.org/en/publications/guide-to-procurement>

A Restricted Procurement procedure with an international call for expression of interest will be followed.

The Procuring Entity, PC Motorways of Federation of Bosnia and Herzegovina Ltd. Mostar (JPAC), now invites eligible consultants to indicate their interest in providing the Services. Firms originating from all countries of the world are eligible to tender for works, goods and services contracts.

Interested consultants must provide information indicating that they are qualified to perform the Service. Consultants shall contact the JPAC to obtain a copy of the template that must be used to submit any Expression of Interest. Only applications using the correct template will be accepted. Applications shall be submitted in hard copy only, one original English version and one copy, all in a single envelope with text on the outside of the envelope as follows ***“EOI for consultancy services for Implementation Support and Safeguard Monitoring Services for the Project Motorway on Corridor Vc, Section Medakovo – Poprikuše, Bosnia and Herzegovina. Not to be opened until [March 10, 2022, 11:00 hrs local time].”***

Candidates are allowed to ask clarifications up 15 days prior the deadline for submission by sending an email to the relevant address above.

JPAC intends to shortlist up to six eligible firms to whom a subsequent Request for Proposals (RFP), both technical and financial, shall be sent. In the event that more than six firms fulfil all the qualifying criteria below, JPAC shall use the criteria identified below to rank the applicants and the top six shall be invited to submit proposals.

Corporate services are required. Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected. The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation. In the event that a natural or legal entity submits or forms part of more than one application, all applications in which that entity has participated will be excluded.

Subsequently, following a standstill period of 10 calendar days, the JPAC will send Requests for Proposals (RFP) to the shortlisted selected applicants (maximum 6). Proposals shall be evaluated in two stages on basis of the Most Economically Advantageous Offer.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 42

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3

Maximum number: 6

Objective criteria for choosing the limited number of candidates:

In the event that more than six firms fulfil all the qualifying criteria below, the following criteria shall be used to rank the applicants and the top six shall be invited to submit proposals.

- (i) The number of similar contracts in a field related to these Services brought as reference below.
- (ii) In a second step, as necessary, the value of similar contracts in a field related to these Services brought as reference below.

II.2.10) Information about variants

Variants will be accepted: no
