Additional information: Procurement will follow open procedure. Consultants shall submit as part of their proposal information essential to evaluate the Consultant's qualification subject to the terms and conditions of the Request for Proposal (RFP). The RFP is available from the Procuring Entity as described above. Only proposals submitted in the format of a RFP shall be accepted for further technical evaluation; any other proposals shall be rejected. The RFP will be issued only to Consultants who directly contact the Procuring Entity through the address below. All clarifications and any amendments or addenda will be communicated in writing with all Consultants who have

properly obtained the RFP. The Procuring Entity shall undertake the evaluation of proposals in accordance with the terms of the RFP. The Procuring Entity shall award the Contract to the Consultant passing qualifying criteria and achieving the highest combined technical and financial score. The contract will be financed with the proceeds of a loan from the European Investment Bank ("the Bank" or the "EIB") and a grant from the Western Balkans Investment Framework (WBIF). The Bank shall not provide or otherwise make funds available, directly or indirectly, to or for the benefit of an individual or entity that is subject to financial sanctions imposed by the EU,UN, US and/or UK either autonomously or pursuant to the financial sanctions decided by the United Nations Security Council on the basis of Article 41 of the UN Charter and EU sanctions giving effect to UN Security Council resolutions that impose sanctions. Consultants originating from all countries of the world are eligible to tender. However, Consultants shall not be in conflict of interest or have been declared ineligible by the Bank. The applicable law is the law of BiH. The applicable procurement rules are the EIB's Guide to Procurement (GtP) which can be downloaded at: https://www.eib.org/attachments/strategies/guide_to_procurement_en.pdf The EIB Anti Fraud Policy and EIB Exclusion Policy apply. Consultants must complete and sign a Covenant of Integrity as part of their proposal. Failure to submit a properly completed and signed covenant may lead to rejection of the proposal and other remedy under applicable EIB policies. The remedy mechanism is described in the RFP.
Legal basis:
Other
This contract will be financed by European Investment Bank (EIB) and is subject to the EIB's Guide to Procurement

The names and professional qualifications of the staff assigned to perform the contract must be given: Tender requirement
Procurement Project fully or partially financed with EU Funds.
The procurement is covered by the Government Procurement Agreement (GPA): *no*
Additional information: All costs related to participation in this procurement procedure shall be borne by Consultants. Consultants should alert the Procuring Entity, with a copy to the European Investment Bank toprocurementcomplaints@eib.org, in case they should consider that certain clauses or provisions of this notice might limit international competition or introduce an unfair advantage to some candidates. Any Consultant who is not satisfied with the Client's debriefing has the right to file a Complaint to the independent Complaints Committee at the address: Independent Complaints Committee appointed by Federal Ministry of Transport and Communications. Furthermore, any party having or having had an interest in obtaining a particular contract and who has been or risks being harmed by an alleged infringement of the Guide to Procurement may submit a complaint to the Bank's Procurement Complaints Committee (PCC) as per Annex 8 of the EIB's Guide to Procurement. Complaints are to be submitted by mail or electronic mail to procurementcomplaints@eib.org. Any requests for clarification of the RFP must be submitted by November 7th 2025, stating the title and reference number of the tender procedure.

5.1.9 Selection criteria

Sources of selection criteria: Notice
Criterion: Average yearly manpower
Description: In possession of a trade licence or professional registers in their Country of Establishment. The minimum total permanent staff number, employed by the consultant in the field of transport (design, supervision, other support services) must be at 50 (fifty) for the last three (3) years preceding the submission deadline. In case of a JV, the minimum permanent staff of the lead partner, in the field related to this contract, must be at least 35 (thirtyfive) for last three (3) years. The resources of any proposed subconsultancy shall not be included in the evaluation.
Criterion: Average yearly turnover
Description: a) The average annual turnover must be at least 2,7 million EUR for the last 3 financial years (2022, 2023 and 2024). b) Positive financial results in the last three years (2022, 2023 and 2024), which shall be assessed as follows: (i) net worth shall be positive in each year; and (ii) liquidity ratio shall be more than 1 (one) in each Year. The above selection criteria will be

applied to all consultants. In the case of proposals submitted by a joint venture (JV), the Leading Company shall meet not less than 60% and each partner shall meet not less than 40% of the qualifying financial criterion (a) given above. Individual partners must each satisfy the requirements for soundness of financial position as required in criteria (b). The economic and financial record of any proposed subconsultancy shall not be included in the evaluation.
Criterion: Relevant educational and professional qualifications
Description: The consultant has implemented and completed, during the last five (5) years counting from the deadline of submission of proposals indicated below, at least two (2) major consulting engineering contracts involving construction supervision on a major motorway/expressway project implemented under FIDIC Conditions of Contract (or equivalent), with consultancy services of a minimum value of EUR 3,7 million each. The consultant shall demonstrate that it had a participation of minimum 50% in each of the contracts brought as reference; The experience record of any proposed subconsultancy shall not be included in the evaluation. Consultants are encouraged to include all prior experience (up to a maximum ceiling of 15 references) meeting the criteria above; however, only within the past five (5) years.

5.1.10 Award criteria

Criterion:
Type: Price
Description: Price is not the only award criterion and all criteria are stated only in the procurement documents.
