Place of performance

NUTS code: BA Bosnia And Herzegovina

Main site or place of performance: Bosnia and Herzegovina. The main site will be Mostar at the construction site Tunnel Kvanj – Buna. The Services will be provided to the Employer.

Description of the procurement:

A Consultant will be selected in accordance with the EIB Guide to Procurement, September 2018: <https://www.eib.org/en/publications/guide-to-procurement>. The Services are expected to be financed through a loan agreement with European Investment Bank. A Consultant shall be selected through an open competitive procedure, with bidders required to submit their proposals in two envelopes as further described in the Request for Proposals available from the Procuring Entity. A Consultant shall be selected on the basis of the most economically advantageous tender, subject also to being qualified. The Procuring Entity, PC Motorways of Federation of Bosnia and Herzegovina Ltd. Mostar (JPAC), now invites all consultants (individuals and firms, including JVCAs and their individual members) from all countries interested to offer consulting services for Bank-financed projects, unless otherwise provided in the RfP. Interested consultants must provide information indicating that they are qualified to perform the Service. Consultants shall contact the JPAC to obtain a copy of the Request for Proposal (RfP) template that must be used to submit proposals. Only proposals using the correct template will be accepted. The RFP includes the terms of reference which fully describes the services to be rendered under the contract. Prospective consultants are allowed to ask clarifications up 15 days prior the deadline for submission by sending an email to the relevant address above.

JPAC's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the RFP. In addition, Technical Proposals shall demonstrate the bidder's compliance with the professional, financial and technical qualifying criteria set down in the RFP, and as summarised below.

Corporate services are required. Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected. The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation. In the event that a natural or legal entity submits or forms part of more than one proposal, all proposals in which that entity has participated will be excluded.

Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

Duration of the contract, framework agreement or dynamic purchasing system

Start: 06/03/2023

End: 06/09/2023

This contract is subject to renewal: no

Information about variants

Variants will be accepted: no

Information about options

Options: no

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

Section III: Legal, economic, financial and technical information

Conditions for participation

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

- The Client is seeking for a skilful and experienced Consultancy firm/JVCA who will be able to exercise the role of the Designer and capable to ensure successful Assignment delivery and completion. A consulting firm engaged for this assignment and is expected to procure the services of a multidisciplinary team of both international and local experts as appropriate. The Consultant is expected to have relevant expertise and experience from similar assignments involving design services in the transport sector (motorway design). The Consultants shall provide a trade licence or professional registers in their Country of Establishment. The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation.

Economic and financial standing

List and brief description of selection criteria:

The Consultants shall simultaneously comply with the following minimum criteria:

- a) The audited financial statement and balance sheets for the past five (5) years (2017, 2018, 2019, 2020 and 2021) must demonstrate the soundness of the consultant's financial position, showing long-term profitability. Consistent losses or a risk of insolvency shown in the accounts may be cause for the disqualification of the Consultant.
- b) The Consultant shall have Minimum average annual turnover 4 million EUR (four million EUR) equivalent for the past 5 years (from 2017 until 2021).
The above selection criteria will be applied to all candidates. In the case of applications submitted by a joint venture (JV), the JV shall collectively meet set criteria. Individual partners must each satisfy the requirements for soundness of financial position.
The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation. The financial qualifying criteria are further specified in the RFP and those shall prevail.

Technical and professional ability

List and brief description of selection criteria:

Candidates must meet the following criteria:

- i. The Consultant has successfully completed in the past five (5) years (2017, 2018, 2019, 2020, 2021) counting from the deadline for submission of proposals, at least two (2) major contracts

for the preparation of Preliminary and Main Design of a motorway section 5 km long or more, which includes design of two separate carriageways with at least two traffic lanes with separate drainage systems for clean and polluted water/fluids. The value of the project shall be at least EUR 1.6 million.

- ii. The Consultant has successfully completed in the past five (5) years (2017, 2018, 2019, 2020, 2021) counting from the deadline for submission of proposals, at least two (2) Main Designs of two-hundred-meter motorway bridges (200 m or longer)
- iii. The Consultant has successfully completed in the past five (5) years (2017, 2018, 2019, 2020, 2021) counting from the deadline for submission of applications Main Design of five-hundred-meter motorway two-tubes tunnel (500 m). Design of the motorway tunnel shall be in accordance to EU standards.

Criteria i, ii and iii can be fulfilled by two or more separate contracts.

The Joint venture or Consortium must satisfy collectively all set criteria.

The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions:

The selected Consultant shall be required to perform the Services in accordance with the laws and regulations of BiH and the Entity of the Federation of Bosnia and Herzegovina governing the field of construction and civil engineering and the latest EIB's Guide to Procurement.

The winning bidder shall be required to fulfil certain obligations in terms of local licenses, at the firm and individual levels, as it is specified in the Request for Proposals. This requirement will be required from the winning tenderer only; it is not a condition of participation in the competition.

Environmental and Social Covenant to be signed and submitted as part of their technical proposal and appended into the resulting contract.

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure
